Passage 2

Colors are everywhere in our world, and they make life beautiful. Each color can make us feel different things. Red is a strong color. It is often used to show love or danger. People say red can make you feel excited. Blue is a calm color. It makes people think of the sky or the sea, and it can help you relax. Green is the color of nature. It reminds people of trees, grass, and the environment. Many people feel happy when they see green. Yellow is a bright and cheerful color. It can make you think of the sun and feel warm inside.

Purple is often called the color of royalty. Long ago, kings and queens wore purple clothes. It can make people feel important or special. Orange is a fun and energetic color. It is a mix of red and yellow, so it brings together the excitement of red and the happiness of yellow. Finally, black and white are not really colors, but they are important. Black is often seen as serious or strong, while white is a peaceful and pure color. (OpenAI, 2024)
